Privacy Statement

Privacy is important to us, so we always keep data securely. We do not share any personal details with anyone or any organisation outside Rotary and no data held by Rotary is sold for any purpose. Privacy Policy

The Rotary Club of Pershore holds information on members of all sections of the Club (Senior, Business Club and Interact Club) including partners where relevant, by consent and as a legitimate interest in the purpose of the Club.

We hold this information securely and separately. Personal and contact information are held on an electronic database by the Secretary and financial information is held by the Treasurer. All databases are password protected.

The Treasurer also holds information on non-members in relation to Gift Aid donations as required by HMRC. Providing the data required for the Club to claim Gift Aid is taken as consent for this purpose. We do not use this data for any other purpose.

In specific situations, we require your data to pursue our legitimate interests in a way which might reasonably be expected as part of running our activities and which does not materially impact your rights, freedom or interests. When the Club is contacted by individuals or organisations in connection with the activities of the Club for financial or other forms of support, this is taken as consent for their data to be held by the Club as a legitimate interest of the Club. If the Club itself contacts individuals or organisations pursuant to its legitimate interests, consent will be requested to hold any subsequent correspondence and data in respect of that specific activity.

Whenever we collect or process personal data, we will only keep it for as long as is necessary for the purpose for which it was collected. At the end of that retention period, data will either be deleted completely or anonymised, for example by aggregation with other data so that it can be used in a non-identifiable way for historical comparison and forward planning.

We do not share any personal details with anyone or any organisation outside Rotary and no data held by Rotary is sold for any purpose. If any person or organisation wishes to know what data may be held by us they may contact

the Secretary below. If they are not satisfied with the response received, they are entitled to contact the Office of the Information Commissioner

Any person or organisation has the right to request:

- Access to the personal data held about them,
- The correction of any personal data when incorrect, out of date or incomplete.
- That no further use is made of personal data other than retained under legislation
- That any consent-based processing of personal data is stopped after consent is withdrawn.

You can contact us to request to exercise these rights at any time.

If you feel that your data has not been handled correctly, or you are unhappy with our response to any requests you have made to us regarding the use of your personal data, you have the right to lodge a complaint with the Information Commissioner's Office.
